

Dear Sir or Madam:

Women in Leadership (WIL), of the Temple Chamber of Commerce, is sponsoring a program known as "Project Prom." Our goal is to provide 30 high school girls, pre-screened through the Communities in Schools program, the chance to go to Prom, an opportunity that many of these girls could not otherwise afford. With the assistance of Junior League and their Second Hand Rose store, and with Communities in Schools, WIL is making dreams come true.

We are accepting gently used and new dresses, handbags, jewelry, shoes, gloves, and all other accessories that create the whole Prom experience. WIL is also accepting monetary donations that will go towards tickets, hair and nail appointments, accessories, corsages and other items that a girl may need for a memorable Prom.

We are asking for donations from several stores in the area so that the girls will be able to buy or receive items that have not yet been donated. This may include gift certificates to restaurants, as dinner is an important fixture to a Prom evening. **Please consider donating at least one gift card/certificate from your business to support the lifelong memories of 30 young ladies.**

*The mission of Women in Leadership is to provide resources and services – through education, networking and public awareness – to empower women to assume leadership positions and achieve personal and professional growth.*

For more information on Women in Leadership and Project Prom, please visit [www.TempleTX.org](http://www.TempleTX.org). The Temple Chamber of Commerce is a not-for-profit, 501-C6 organization.

Thank you for your support of the Temple community and for your continued efforts to promote the quality of life in the city.

Sincerely,

Cindy Zavodny  
2008 Women in Leadership Chair
